

I am writing in support of continuing the Wisconsin No Call List as it is. It has significantly improved our quality of life. We have so little time together at home as a family and it has been so nice not to have annoying telemarketer calls 5 times nightly. We were one of the first to sign up in Jan 2003. Our 2 years expired in Jan 2005 and we have already seen a dramatic increase in telemarketer calls with 2 calls per night. I just signed up again!
